PROCESS

The Staple is made from pressed Kooij prototypes and colour tests. Each piece is an amalgamation of studio history, expressed through an intuitive, one-off colour pattern.

STORY & CARE

The Staple is not suitable for use outdoors. Much like wood, the plastic will mark through contact with hard or sharp objects. Cleaning is safe with a mild, non-abrasive dish detergent. Please ensure that the plastic does not come into contact with acetone or other chemical cleaners. Kooij products are protected by a limited warranty.
